## EDUCATION

### Vidya Jyothi Institute of Technology

*Bachelor of Technology - Computer Science and Engineering(Data Science)*

**2021– 2025**

*Hyderabad, India*

### Sri Chaitanya Junior College

*Maths, Physics, and Chemistry*

**2019 – 2021**

*Hyderabad, India*

### Vasavi Vidya Niketan

*10th Standard SSC*

**2018- 2019**

*Prakasam, Andhra Pradesh*

## TECHNICAL SKILLS

**Languages:** C, Python, Java, and JavaScript

**Technologies and Frameworks:** HTML5, CSS, MySQL, MongoDB, React, Tailwindcss, NodeJs and Bootstrap

**Deployment and Development Tools:** VS Code, GitHub, and Canva

## EXPERIENCE

### java intern

**Mar 2024 – Apr 2024**

*Coding raja technology*

*Remote*

- Implemented a user-friendly interface in JAVA that increased staff productivity by allowing real-time access to library resources, benefiting 20+ employees and facilitating improved patron engagement and satisfaction rates.
- Engineered an intuitive platform that simplified patron interactions and librarian management, leading to a 20% boost in overall satisfaction ratings collected through user surveys conducted post-implementation.
- Secure authentication.

### Web development

**Apr 2024 – May 2024**

*Internpe*

- Developed an e-commerce website using HTML, CSS, and JavaScript, incorporating a user-friendly interface for product exploration, shopping cart management, and checkout procedures.
- Assisted in implementing responsive design principles to ensure compatibility across various devices and screen sizes.
- Contributed to debugging and troubleshooting technical issues, improving website performance and user experience.

### Full Stack Engineer

**Ongoing**

*Qwatch Digital Security Innovations Private Limited*

- Designed and developed a responsive frontend using React with Vite, enabling intuitive user interaction for idea creation and management.
- Built RESTful APIs using Node.js and Express to handle authentication and secure data flow.
- Integrated MongoDB for persistent data storage, ensuring efficient data retrieval and user-specific operations. Followed best practices in clean code, error handling, and version control using Git.

## ACHIEVEMENTS

- Coordinated and managed technical events, ensuring smooth execution and successful outcomes.
- Volunteered for election duties as a member of the NSS team, assisting with various administrative and operational tasks.

## CERTIFICATIONS

**Cisco** Certified in Introduction to cybersecurity by Cisco

**Infosys** Creating webpages using Bootstrap4.

**Java Fundamentals** Certified by Oracle Academy in Java Fundamentals.

**Datascience and ML** Introduction of Machine learning and Data science by Altair Company.

**SQL and Relational Databases 101** certified by IBM Developer Skills Network.

**Python** Certificate of accomplishment from Hackerrank.

## ADDITIONAL SKILLS

**Languages:** Fluent in Hindi, english, and Telugu

**Soft Skills:** Flexible and adaptable, Fast in learning, and Capable to work collaboratively with others.
